Tools & Templates

Tools, Templates & Resources contains varied resources to support you when bidding. Items such as a glossary of procurement terms, checklists and quick reference guides.

Additional Resources (whose menu is shown on the left hand side of this page) also includes information and further links on a number of procurement topics e.g. data protection and prompt payment.

To access this information, you need to click on the down arrow beside the Tools, Templates & Resources menu heading. You are then shown several page options e.g. glossary, videos and additional resources, that you may click on to access further information.
